METZGER
COMPETENCE KITS.

All in one. All you need.

METZGER COMPETENCE KITS.

Every mechanic knows the frustration: the spare part arrives – but the gasket is missing. The screws don't fit. The repair stalls.

With Metzger COMPETENCE KITS, those days are over.

Already today, around 3,000 products in our range are Metzger COMPETENCE KITS. That means you get the part you ordered along with everything you need for installation – all included, at no extra cost.

Each COMPETENCE KIT comes complete with the replacement part plus all the necessary accessories and fittings, from gaskets and screws to clips. 100% complete, ready to install, with no extra orders, no missing pieces, and no delays.

TIME IS MONEY. – SAVE BOTH WITH METZGER.
